monarchy to trounce, her without involving Russia or other powers.

The general opinion now prevalent to the effect that Austria will immediately send a decisive ultimatum to Belgrade is probably wrong. It is more likely that the dual monarchy will make one more attempt by ordinary diplomatic means to induce Servia to abandon her military preparations before resorting to harsher methods. Nevertheless, it is clearly apparent that Austria is fully determined to compel Servia to eat dirt or fight and she hopes the Servian hotspurs will choose the latter alternative. So they

Th. DIRECT WIRE TO THE TIMES! DES MOINES (Iowa) March 15.-Exclusive Dispatch.] Liquor inte-cets in Iowa were dealt the severe-blow in years in the Senate today [Exclusive Dispatch.] Three more drastic measures passed and, in each instance, the anti-salon

forces lined up thirty votes, or four more than a majority of the Senate. This line-up is taken by many to mean that the resubmission recolution, which is supposed to be quietly sleeping in the room of the Committee on Constitutional titutional Amendments.

Bennett alli was perhaps the worst blow. The bill prohibits any one ex-cept gunlined electors of a reunicipal-ity in which a saloon is located from owning or operating such saloon. It also expressly provides no brewer, dis-tillar or refuser. saloon in the State, nor shall one

a saloon in the State, nor shall one be permitted to own the promises in which the saloon is located or the furniture or fixtures in the saloon, or have any interest in them whatever. It also prohibits brewers, distillers or refiners from going on bonds of saloon-keepers or guaranteeing such bonds. Any violation of this law is made a dismentor with punishment both in civil and criminal courts. The provision preventing brewers from going on the bonds of saloon-keepers, was an amendment offered to the bill on the floor. It was resisted by opponents to the measure, but without effect.

next bill relating to the lique The next bill relating to the liquor traffic came from Democratic sources, and was introduced by Senator Moon of Ottumwa. It provides that city or town councils may not grant permits for saloons to exceed one for each 1000 population, except that one saloon may be allowed in towns or 1000 op ness. In case the present number of saloons is more than permitted under this ratio, no permits are to be cancelled, but if they become inoperative except by death of the holder, no new permits may be granted until the ratio is reached.

IBY DIRECT WIRE TO THE TIMES.) PITTSBURGH (Pa.) March 15.— (Exclusive Dispatch.) That one of the most complete graft investigations ever attempted has been really started in Pittsburgh seems apparent tonight. Today the county grand jury in spe-cial session began its probing of mat-ters, and before the day was over-not less than a dozen of the leading lights of Pittsburgh's financial and business world had been before it.

Not only this, but grafting Councilman John Klein, already twice convicted, and bankers Vilsack and Ramsey, also convicted, were called bafore the jury and closeted for hours.
It is rumor that the convicted ones

[BY DIRECT WIRE TO THE TIMES.] CHICAGO, March 15.—(Exclusive Dispatch.) Employers of tile and mo-saic workers today precipitated a crisis in their industrial controvers with members of the Tile Layers' Un-lon, who struck for higher wages March 1, by resuming work on build-ings throughout the city with the help of non-union men, recruited from sev-eral cities in the East. The threat of the strikers to induce workers is other trades to desert their position was not fulfilled at once, although it is expected by some that several sym-pathetic strikes will follow unless the differences are adjusted. No violence was reported today. It

was declared that Mayor Busse wo be asked for police protection for the non-union men in the event of hostile tactics on the part of the unionists. It was denied by representatives of the dealers that any offer looking toward arbitration had been made by the union leaders. The non-union mer would be kept at work, notwithstand-ing possible attacks made upon them by the atrikers or their allies, it was positively declared.

Contest Played in Classic . Tournament Park.

Los Angeles, 6; Chicago Yannigana,

Comiskey's second-best White Sox went down to defeat before the Angels in the last moments of a ten-inning game at Tournament Park, Pasadena yesterday afternoon. The match was the opening feature of the week of sports that is being held for the benefit of the G.A.R., and 2500 persons occupied the grand stands and many automobile parties surrounded the field. Hard hitting, double plays, and glaring errors had a conspicuous place in the playing, and although the going was slow at times, the crowd enjoyed the game and liberally applauded the the game and liberally applauded the players when anything that showed class was pulled off. It was the first big diamond contest that has been held in the Crown City for several years, and the spectators waxed so enthusiastic that a match between the White Sox first team and the Angels was arranged for Friday afternoon on the same diamond.

Sturgeon, one of Berry's new busha, had a prominent place in the tenth sing, after the crowd had settled win for several extra sessions, had a prominent place in the imped a fly out to left field close to a foul line, sending Delmas bome masconed base with the run that didd the game. The Angels got anser man across the plate before the was retired, but a margin of one as plenty as the Sox never menaced home plate in their last attempt. The race was at the regulation distance, 25 miles, 35 yards, and was run over a ten-lap track in Madison Square Garden.

Pietri won by a fifth of a mile in 2:48:08. From the start to the end of the race the Italian led the American, spurredon by the cheers and plaudits of his emotional countrymen.

In the seventeenth mile Dorsado started a heart-breaking sprint, which Hayes was unable to follow, and when a half-mile had been run the foreigner had gained a lap.

Again in the eighteenth mile, after he had taken a breathing spell, the Italian cut out a pace that was too fast for Hayes, and annexed another lap. Thenceforward to the finish Dorsando simply jorged behind Hayes, winning the race by two laps in easy fashion.

#### Franklin Model D

When you want to make time, what is the limiting factor? Is it the horse-power of the motor, or is it the way the automobile rides?

There is only one answer, and it explains why it is that Franklin Model D with only 28 horse-power is able to make such high average speed. No other automobile except the six-cylinder Franklin equals it on American roads. You may have 60 horse-power and your maximum speed may be seventy miles an hour, but at the end of a day's touring you have not gone as far as your neighbor in his Model D. Your speed is held down to what the passengers can endure and to what you
